Subject: Partnership opportunity - Let's explore synergies

Hello [Name],

I've been thinking about our brief conversation at [event/previous interaction] regarding potential collaboration between [your company] and [their company]. After doing some research on your recent [project/achievement/expansion], I believe there's a real opportunity for us to create value together.

Here's what I'm envisioning:

- [Specific collaboration area 1]
- [Specific collaboration area 2]
- [Mutual benefit/value proposition]

Our companies share similar values around [shared value/mission], and I think our complementary strengths could create something really impactful for both our client bases.

I'd love to set up a time to discuss this further. Would you be open to a 30-minute exploratory call next week? I'm available [your availability] but can work around your schedule.

I'm also happy to put together a brief overview of potential partnership models if that would be helpful for our discussion.

Looking forward to exploring this opportunity together.

Best,
