

Quick Counter Proposal Message

Subject: Counter Proposal at a Glance

Hello [Recipient's Name],

Thank you for the offer. Here's a quick outline of my counter proposal:

- Reduce the upfront fee by 15%
- Extend delivery timeline by two weeks
- Add a clause for mutual review after six months

I believe these changes will make the agreement more practical while keeping it beneficial for both parties. Looking forward to your reply.

Best regards,

[Your Name]
