

Initial Campaign Launch Message

Dear [Supporter Name],

I am writing to share some exciting news: I have officially decided to run for [Position] in the upcoming [election year] election, and I hope I can count on your support.

This decision comes after months of listening to community members like you and recognizing that our [district/city/state] deserves leadership that prioritizes [key issues: education, infrastructure, healthcare, etc.]. I believe that together, we can make a real difference.

Running a successful campaign requires resources, and I am reaching out to ask if you would consider making an early contribution to help us build momentum. Your support of [suggested amount] or whatever you can afford would help us [specific use: hire staff, print materials, organize events, etc.].

Every contribution, no matter the size, brings us one step closer to victory. You can donate online at [website] or send a check made payable to [Campaign Committee Name] at [address].

Thank you for believing in this vision. I look forward to earning your support.

With gratitude,
