

Cancellation Of Resignation Letter

If you have submitted a resignation letter but now wish to cancel it, you can write a letter to your employer requesting to withdraw your resignation. Here is a sample letter:

Dear [Employer],

I am writing to formally request to withdraw my resignation letter, which I submitted on [date of submission]. After careful consideration, I have come to the realization that resigning from my position was not the best decision for me at this time.

I value my job and the opportunities it provides, and I am committed to continuing my work with the company. I apologize for any inconvenience my initial resignation may have caused and assure you that I am fully committed to my job.

Thank you for your understanding and consideration. I look forward to continuing my work with the company.

Sincerely,

[Your Name]
