Emotional custody agreement with focus on childâ€™s needs

Subject: Agreement for [Childâ€™s Name]â€™s Custody

Dear [Parentâ€™s Name],

This letter is written from the heart, with [Childâ€™s Name]â€™s best interests at the center of everything. While we may have differences, I believe we both want whatâ€™s best for our child. That is why I am proposing this custody agreement.

Our plan is to ensure that [Childâ€™s Name] has meaningful time with both of us. The schedule we agreed on allows for balance, consistency, and stability. We will both remain equally involved in decisions about school, health, and activities.

More than a legal arrangement, this is a promise to our child that we will always be there. Thank you for being willing to work together on this.

Sincerely,

[Your Name]
