

Professional Letter

Dear Dr. [Chiropractor Name],

I am referring my patient, [Patient Name], who presents with persistent lower back pain and limited mobility. After careful assessment, I believe chiropractic care would be beneficial to complement their ongoing treatment.

Please find enclosed the patient's relevant medical history and recent imaging results. I would appreciate your evaluation and management plan for this patient, and I am happy to coordinate follow-up care as needed.

Thank you for your expertise and collaboration.

Sincerely,

[Your Name]

[Medical Practice / Clinic]
