

## Heartfelt Letter

Dear Dr. [Chiropractor Name],

I am referring my patient, [Patient Name], who has been struggling with chronic neck and back pain for several years. Conventional treatments have provided limited relief, and I believe your chiropractic expertise could greatly improve their quality of life.

Enclosed are the patient's medical records, prior therapy notes, and imaging results. Your guidance and treatment recommendations will be invaluable in supporting their ongoing care.

Thank you for your dedication to patient wellness.

Warm regards,

[Your Name]
