

Lighthearted humorous rejection

Subject: Your Claim (Nice Try!)

Hey [Recipient's Name],

We had a look at your claim, and while it was a creative attempt, we have to say no this time.

Apparently, "broken by cat" isn't listed under our policy coverage.

On a serious note, the claim doesn't meet our requirements because [real reason]. If you've got more documentation or a stronger case, we're open to giving it another review.

Thanks for keeping us entertained, and don't worry—we're still here to help with the claims that do qualify.

All the best,

[Your Name]
