

Client acceptance email after proposal

Subject: Acceptance of Your Proposal and Client Relationship

Dear [Client's Name],

Thank you for sharing your proposal with us. After thorough evaluation, we are delighted to accept you as our client and move forward with the partnership. We believe your project aligns with our expertise and values.

Our next step will be to finalize the agreement and assign a project lead. You can expect detailed onboarding instructions within the next few days.

We look forward to a successful collaboration.

Sincerely,

[Your Name]
