

# International Student Acceptance Message Template

Dear [Student Name],

We are delighted to offer you admission to [College/University Name] for the [Term] [Year] academic year. Your international perspective and academic achievements will enrich our diverse campus community.

As an international student, you will need to complete additional steps including:

- Obtaining an F-1 student visa
- Submitting financial documentation
- Completing health requirements and immunizations
- Attending international student orientation

We will mail your I-20 form within [Timeframe] to assist with your visa application process. Our International Student Services office will guide you through all necessary procedures.

We understand the significant commitment involved in studying abroad and are committed to supporting your success.

Welcome to [College/University Name]!

Sincerely,

[Name]

International Admissions Counselor
