

Humorous Complaint Email for Damaged Goods

Subject: Oops! My Order Arrived in Pieces

Hi [Company Name],

I received my order [Order Number], and it seems the items took "broken chic" a bit too seriouslyâ€”they arrived in pieces! Jokes aside, the goods are damaged and unusable.

Please let me know how we can get a replacement or refund. Photos attached for evidence of their "artistic deconstruction."

Thanks for helping me turn this around,

[Your Name]
