

Joint Community Complaint About Water Issues

Subject: Joint Complaint Regarding Persistent Water Supply Problems

Dear [Municipal Commissioner/Water Board Manager],

We, the undersigned residents of [Community Name], wish to formally complain about the ongoing water supply problems in our area. For months, we have faced irregular schedules, low pressure, and poor water quality. Despite multiple prior complaints, the issue persists without a lasting solution.

We urge your office to take immediate and long-term corrective measures. Kindly assign an inspection team and communicate the action plan to the community representatives.

We trust in your commitment to resolving this matter for the welfare of our residents.

Sincerely,

[Representative Name]
