

Serious Health-Related Water Complaint

Subject: Urgent Health Concern – Contaminated Water Supply in [Locality Name]

Dear [Municipal Officer],

I am deeply concerned to report that the contaminated water supplied in our locality has led to several residents experiencing stomach illnesses. The situation has become alarming, and we believe the contamination may be due to a damaged underground pipe near the drainage system.

We urgently request the municipality to conduct water testing and take corrective measures immediately. This matter requires priority attention as it poses a serious public health risk.

Please acknowledge this letter and inform us of the steps being taken.

Yours sincerely,

[Your Name]
