Casual complaint about noise disturbance

Subject: Concern About Ongoing Noise

Hi [Managerâ€™s Name],

I hope youâ€™re doing well. I wanted to reach out because the apartment above mine has been very noisy late at night for the past couple of weeks. It often goes on past midnight, making it difficult for me and my family to get proper rest.

Could you please look into this issue? I would really appreciate it if you could remind the residents to be mindful of quiet hours.

Thanks so much for your help.

Best,

[Your Name]
