

Loan delay complaint

Subject: Complaint Regarding Loan Application Delay

Dear Bank Manager,

I applied for a [Type of Loan] on [Application Date], and I was assured that the process would take no more than [Timeframe]. However, despite repeated follow-ups, there has been no progress, and I have not received any clear updates.

This delay is causing me serious inconvenience, as I have urgent financial commitments depending on this loan. I request that my application be reviewed immediately and that I be informed of the reasons for this delay.

I trust that you will take this matter seriously and provide me with a resolution at the earliest.

Sincerely,

[Your Name]
