

Bank charges complaint

Subject: Complaint Regarding Excessive Service Charges

Dear Bank Manager,

I have recently noticed that my account [Account Number] has been debited with unusually high service charges and fees. These deductions were not clearly communicated to me at the time of account opening or in recent statements.

I request a detailed breakdown of these charges and an immediate review of my account. Please reverse any unjustified deductions and ensure proper transparency in fee structures moving forward.

I value my relationship with your bank, but such practices are discouraging and need to be addressed urgently.

Sincerely,

[Your Name]
