

Complaint Letter to Healthcare Provider about Billing Error Template

Dear [Healthcare Provider's Name],

I am writing to bring to your attention a billing error that I have identified on my recent medical statement. The statement reflects charges for services that I did not receive or charges that are significantly higher than expected. [Provide details of the billing error and any relevant documentation.]

I kindly request a correction of the billing error and a revised statement that accurately reflects the services I received. I value the quality of care provided by your healthcare facility and hope you will take the necessary steps to address this matter promptly.

Thank you for your attention to this issue.
