

Funny congratulation email for a close friend

Subject: Look Who Made It!

Hey [Friend's Name],

Congrats, you superstar! Honestly, I always knew you'd do it, but now you've left the rest of us looking lazy. Thanks for raising the bar way too high!

Seriously though, I'm so proud of you. Let's party soon—you've earned it (and I'll take the credit for motivating you, of course).

Big cheers,

[Your Name]
