

Professional Email for E-commerce/Marketplace Seller

Subject: Copyright Infringement - Product Listing [Listing Number]

Dear Seller,

I am the copyright owner of [design/image/artwork] that is being used without authorization in your product listing on [Etsy/Amazon/eBay]. The listing in question is [URL/Listing ID].

Using my copyrighted work on products you're selling violates my exclusive rights and constitutes copyright infringement. I have not granted you a license or permission to reproduce my work.

I request immediate removal of the listing and all products featuring my copyrighted material.

Additionally, I expect:

- Confirmation that inventory featuring my work has been destroyed or removed from sale
- Accounting of sales made using my copyrighted material
- Discussion of appropriate compensation

I am also filing a DMCA takedown notice with the platform. Please respond within 7 days to avoid further action.

Regards,

[Your Name]
