Subject: Permission to License Music Track for Independent Film

Dear [Artist/Representative],

I am an independent filmmaker currently producing a short film titled "[Film Title]". I would like to request permission to use your track "[Song Title]" as part of the soundtrack. The film will be shown at local festivals and may be distributed online.

Please let me know your licensing terms, fees, or any restrictions. I am open to discussing options that work for both of us, as your music would truly elevate the emotional impact of the project.

Thank you in advance for your consideration.

Best wishes,

[Your Name]
