

Lighthearted request between friends

Subject: Can I Steal (Borrow) Your Genius Work?

Hey [Friend's Name],

So, I'm working on this [presentation/project/article], and your [drawing/quote/photo] is just too good not to include. Before you yell at me for copyright infringement (don't worry, I'll credit you like the superstar you are), I'm asking for your royal permission.

Promise I won't get rich off it (sadly), but I'll make sure everyone knows who the real genius is. Deal?

Cheers,

[Your Name]
