

Email for Counseling Internship Opportunity

Subject: Counseling Internship Application

Dear [Supervisor's Name],

I hope this email finds you well. I am a final-year psychology student at [University Name] seeking an internship opportunity within your counseling department. Your organization's reputation for compassionate client care makes it the perfect environment for professional growth.

During my coursework, I have gained experience in active listening, basic therapy techniques, and confidentiality practices. I have also volunteered with a student helpline, where I assisted peers coping with academic pressure and personal difficulties.

I am eager to learn from your team and contribute wherever possible. Please find my resume attached for your consideration. I would be grateful for the chance to discuss this opportunity further.

Sincerely,

[Your Name]
