

Entry-Level School Counselor Application Letter

Subject: Application for School Counselor Position

Dear [Principal's Name],

I am excited to apply for the School Counselor position at your institution. Although I am newly graduated with a degree in Educational Counseling, I bring strong interpersonal skills, empathy, and a passion for supporting student success.

During my internship at Greenview High, I assisted in organizing career guidance sessions and facilitated workshops on emotional intelligence. These experiences helped me understand the critical role of school counseling in fostering student growth.

I am eager to begin my professional journey in your school and am confident that my enthusiasm and commitment will allow me to quickly become an effective member of your staff.

Thank you for considering my application.

Best regards,

[Your Name]
