

Formal Application for University Counseling Role

Subject: Application for University Counselor Role

Dear [Director's Name],

I am pleased to submit my application for the University Counselor position at [University Name].

With over six years of experience supporting undergraduate students, I have developed effective strategies to promote both academic success and mental wellness.

My counseling philosophy centers on building trust and empowering students to make informed decisions. I have designed workshops on stress management, academic planning, and emotional resilience that were highly rated by participants.

Your university's focus on student-centered development makes this position especially appealing. I look forward to contributing to your counseling team's goals.

Warm regards,

[Your Name]
