

Technical Internship Application

Subject: Software Development Internship Application

Dear Hiring Team,

I'm excited to apply for the software development internship at [Company Name]. As a computer science student passionate about [specific technology/area], I'm eager to apply my technical skills in a professional environment.

Through my coursework and personal projects, I've gained proficiency in [programming languages] and [relevant technologies]. My GitHub portfolio showcases projects including [specific examples], demonstrating my ability to write clean, efficient code and solve complex problems.

What excites me most about this opportunity is [specific aspect of the role/company]. I've been following [Company Name]'s work in [specific area] and admire your commitment to [relevant value/technology]. I'm particularly interested in contributing to [specific project or technology stack].

I learn quickly, adapt easily to new technologies, and thrive in collaborative environments. While I may be early in my career, my passion for technology and dedication to continuous learning drive me to exceed expectations.

I'd love to discuss how my technical skills and enthusiasm can contribute to your development team. Thank you for your consideration.

Best regards,

[Your Name]
