Subject: Dispute of Fraudulent Accounts Due to Identity Theft

Dear [Credit Bureau/Creditor],

I am writing to dispute fraudulent accounts that have appeared on my credit report due to identity theft. The accounts listed under [list details] are not mine, and I did not authorize any such activity.

Enclosed are copies of my police report, FTC identity theft affidavit, and supporting identification documents. Please investigate this matter immediately, block the fraudulent information, and provide me with confirmation of the removal.

Thank you for your assistance in correcting my credit file.

Sincerely,

[Your Name]
