

Simple Dispute for Aged Inquiries

Subject: Removal of Outdated Credit Inquiries

Dear Credit Reporting Team,

I noticed several hard inquiries on my credit report that are older than two years and should be automatically removed according to credit reporting guidelines.

The following inquiries should no longer appear on my report:

- [Creditor Name] from [Date over 2 years ago]
- [Creditor Name] from [Date over 2 years ago]

Please update my credit file to reflect the accurate reporting timeframe and remove these aged inquiries.

Thank you for maintaining accurate credit reporting.

Sincerely,

[Your Name]
