

Credit Inquiry Removal Letter After Denied Application

Subject: Request to Remove Credit Inquiry After Denial

Dear [Lender's Name],

Following my recent loan application with your company on [Date], I was informed that my application was denied. Since no credit account was opened, I kindly request that the associated credit inquiry be removed from my report.

I understand that inquiries affect my credit score and would appreciate your assistance in ensuring my record accurately reflects completed and active credit transactions only.

Please let me know once the inquiry removal has been processed. Thank you for your consideration.

Sincerely,

[Your Name]
