

Credit Inquiry Removal Email for Multiple Inquiries

Subject: Request to Remove Duplicate Credit Inquiries

Dear [Credit Bureau Support],

I have identified multiple hard inquiries from [Lender or Company Name] on [Dates]. I only authorized one inquiry, and the duplicates appear to be errors.

Please investigate these inquiries and remove any duplicates that were not separately authorized.

I've attached copies of my report highlighting the specific entries for your reference.

Thank you for your time and prompt resolution.

Kind regards,

[Your Name]
