Dear [Applicant's Name],

Re: Credit Refusal

Thank you for your recent application for credit with [Your Company Name]. We appreciate the opportunity to review your application thoroughly.

After careful consideration and a comprehensive assessment of your financial information, we regret to inform you that we are unable to approve your request for credit at this time.

The decision was based on various factors, including but not limited to:

1. **Insufficient Credit History:** Our evaluation indicated a limited credit history, which makes it challenging for us to assess your creditworthiness adequately.
2. **High Debt-to-Income Ratio:** The ratio of your debt obligations to your income suggests a high level of financial commitments, which could affect your ability to manage additional credit responsibly.
3. **Adverse Credit Information:** Our credit check revealed some negative marks, such as late payments or outstanding debts, that raised concerns about your ability to meet financial obligations.

We understand that this decision may be disappointing, and we assure you that it was not made lightly. Our goal is to maintain a responsible and sustainable lending approach to protect both our customers and the integrity of our business.

Please keep in mind that the outcome of this application does not imply any reflection on your

character or potential. We encourage you to work on improving your financial situation, such as by establishing a positive credit history and managing your existing debts responsibly.

If you have any questions or concerns regarding this decision, please do not hesitate to contact us.

We are committed to providing you with any additional information that may assist you in the future.

Thank you for considering [Your Company Name] for your financial needs, and we wish you the best in your financial endeavors.

Sincerely,
