

Formal referral for specialist dental care

Subject: Referral for Specialist Dental Treatment

Dear Dr. [Last Name],

I am writing to refer my patient, [Patient's Full Name], who requires specialized dental care beyond the scope of my practice. After a recent examination, I have identified [briefly state the condition, e.g., severe periodontal disease, impacted wisdom teeth, or need for orthodontic evaluation].

The patient has already undergone [list any treatment or diagnostics performed]. I am recommending referral to your care for further evaluation and management. Please find enclosed the patient's medical and dental history, X-rays, and relevant clinical notes for your reference. Thank you for your collaboration in ensuring the best possible care for this patient. Please feel free to contact me if you need additional details.

Sincerely,

[Your Name]
