

Professional Follow-up Appointment Request

Subject: Follow-up Appointment for [Treatment Type]

Dear Dr. [Name] and Team,

I hope you are all doing well. I am writing to schedule a follow-up appointment for the [specific treatment: root canal, extraction, crown placement, etc.] I received on [date].

As discussed during my last visit, you recommended a follow-up examination in [timeframe] to monitor healing progress and ensure everything is proceeding as expected. I have been following all post-treatment care instructions and am pleased to report [mention current status: no complications, healing well, etc.].

I would appreciate scheduling this follow-up visit within the next [timeframe]. My preferred times are [availability], though I can be flexible to accommodate your schedule.

Please let me know what appointment times are available and if there is anything specific I should prepare for or bring to this follow-up visit.

Thank you for the excellent care you provided during my recent treatment. I look forward to seeing you soon.

Best regards,

[Your Name]
