

Casual Diminished Value Email

Hi [Adjuster's Name],

I'm reaching out regarding my car, a [Year, Make, Model], which was in an accident on [Date].

Even though the repairs are done, I understand the car has lost some of its market value.

I'd like to submit a claim for this diminished value. I've attached all the necessary repair receipts and appraisal documents. Could you let me know the next steps?

Thanks,

[Your Name]
