

Casual Family Dinner Email

Hi [Name]!

Hope you're doing well! We're having a casual family dinner this [Day of Week] at around [Time] and would love for you to join us. Nothing fancy - just good food, great company, and lots of laughs.

I'm making [Menu Items] and there will be plenty to go around. Feel free to bring the kids if you'd like - we have games and activities to keep them entertained.

No need to bring anything, just yourself! But if you insist, a bottle of wine or dessert would be appreciated.

Let me know if you can make it by [Date]. Really hoping to catch up with you soon!

Talk soon,

[Your Name]
