

Directive Message for Emergency Response Plan

Subject: Activation of Emergency Response Procedures

Dear Team,

This message serves as a directive for all employees to review and adhere to the company's Emergency Response Plan immediately. Recent events necessitate heightened preparedness and awareness of safety protocols.

All staff must familiarize themselves with evacuation routes, assembly points, and emergency communication methods. Department heads are to conduct drills within the next two weeks to ensure full compliance.

Safety is everyone's responsibility. Let's act promptly to secure our workplace and protect each other.

Regards,

[Your Name]

Crisis Management Coordinator
