Formal Referral Letter with Detailed Medical History

Subject: Referral for Specialist Assessment

Dear Dr. [Specialistâ€™s Name],

I am referring [Patient Name], age [Age], for evaluation regarding [Medical Condition]. The patient has been managed for [Previous Treatments/Medications], but symptoms persist. Please find attached comprehensive medical records, lab results, and imaging studies for your assessment.

Your expert evaluation and recommendations for further management will be greatly appreciated.

Sincerely,

Dr. [Referring Doctorâ€™s Name]
