

Professional rejection due to organizational guidelines

Subject: Regretful Decline of Your Generous Donation Offer

Dear [Donor Name],

Thank you for considering [Organization Name] as a recipient of your generous donation. We are deeply honored by your willingness to support our mission and the trust you have placed in our organization.

After careful consideration by our board of directors and in accordance with our established donation acceptance policies, we must respectfully decline your contribution at this time. This decision is not a reflection of the value we place on your support, but rather stems from specific organizational guidelines that govern the types of donations we are able to accept.

Our current strategic focus requires us to maintain strict alignment with our core mission objectives, and we have determined that accepting your donation would not be in the best interest of either party at this time.

We sincerely appreciate your philanthropic spirit and encourage you to consider supporting other worthy causes that may be better positioned to utilize your generous contribution effectively.

With gratitude and respect,
