Subject: Entry-Level ELV Engineer Application

Dear [Hiring Manager's Name],

I recently graduated with a degree in Electrical Engineering and am excited to apply for the ELV Engineer position at [Company Name]. My academic background in telecommunications and exposure to practical projects on fire alarm and CCTV systems have prepared me for this role. Although I am at the beginning of my professional journey, I am a fast learner, passionate about smart building systems, and eager to work with experienced professionals like your team. I am confident that my enthusiasm and commitment will make a positive contribution.

Thank you for considering my application. I look forward to the possibility of discussing my qualifications further.

Best regards,
