

ELV Engineer Internship Email

Subject: Internship Application – ELV Engineering Department

Dear [Supervisor's Name],

I am currently a student in Electrical Engineering at [University Name] and wish to apply for an internship in your ELV Engineering department. My coursework in electronics and communication systems, combined with hands-on training in wiring and control systems, has sparked a strong interest in ELV design and implementation.

I am eager to gain real-world experience and contribute to your ongoing projects while learning from your team's expertise. I am available from [start date] and flexible with the duration as required by your schedule.

Thank you for your time and consideration.

Sincerely,

[Your Full Name]
