

Heartfelt announcement of support fund

Subject: Launching the Employee Emergency Support Scheme

Dear Colleagues,

We understand that life can be unpredictable, and sometimes unexpected challenges arise. To support our team in such times, we are launching the Employee Emergency Support Scheme, designed to offer financial assistance to employees facing personal hardships.

This initiative reflects our belief that we are not just co-workers but a family. Details on eligibility and the confidential application process are available through HR.

We hope this program provides a sense of security and reassurance to everyone.

Warm regards,

Employee Care Committee
