

Preliminary Endorsement Letter for Thesis Proposal

Subject: Preliminary Endorsement of Thesis Proposal

Dear [Research Committee Chair's Name],

I am pleased to endorse the preliminary thesis proposal titled "[Proposed Title]" submitted by [Student's Name]. The proposed study presents a well-defined research problem and a clear methodology that demonstrates readiness to proceed to the next stage of approval.

While some refinements may be required, I believe the student has the capacity to complete this research successfully. I recommend that the proposal be accepted for further development and defense.

Sincerely,

[Your Name]
