

Casual Email for Internship in Oil and Gas Industry

Subject: Internship Opportunity Inquiry

Hi [Recipient's Name],

I hope you're doing well! I'm currently pursuing my final year in Petroleum Engineering and am very interested in getting hands-on experience in the oil and gas sector. I came across your company while researching energy leaders and would love to learn more about internship opportunities.

I'm especially interested in reservoir management and energy transition projects. I'd be happy to share my resume and discuss how I can contribute to your team this summer.

Looking forward to hearing from you!

Best,

[Your Name]
