

Simple Message for Job Referral in Energy Sector

Subject: Seeking Referral for Energy Role

Hi [Colleague's Name],

I hope you're doing well. I'm currently exploring new opportunities in the energy sector and noticed that your company is hiring for several roles that match my background. Would you be open to referring me for a position or introducing me to someone from the hiring team?

I'd really appreciate your help. I've attached my updated resume for your reference.

Thanks a lot!
