

## Casual congratulations message for friends

Hey [Name]!

OMG, I just saw your engagement photos on social media and I'm literally squealing with excitement! You two are absolutely perfect together and I couldn't be happier for you both!

I still remember when you first told me about [Partner's Name] and how your whole face lit up. It was so obvious you were head over heels, and seeing how happy you've been together has been such a joy to witness.

I can't wait to celebrate with you both! Let me know if you need any help with wedding planning â€” I'm totally here for dress shopping, venue hunting, or just being a sounding board for all your ideas. This is going to be the most amazing journey for you two. Congratulations again â€” you deserve all the happiness in the world!

Lots of love and excitement,

[Your Name]

P.S. â€” That ring is absolutely stunning! [Partner's Name] has excellent taste!
