

Serious Environmental Complaint Letter

Subject: Urgent Concern Regarding Improper Waste Disposal

Dear [Authority's Name],

I am writing to bring to your attention a serious issue regarding improper waste disposal by [Company/Entity Name] near [Location]. The waste materials have been contaminating local water sources and causing distress to the surrounding community.

I urge the department to investigate the situation immediately and enforce the necessary corrective measures to prevent further harm. The environment and residents' health are being jeopardized.

Thank you for your prompt attention to this matter.

Sincerely,

[Your Name]
