

Personal wedding postponement due to weather

Subject: Important Update Regarding Our Wedding Celebration

Dearest Family and Friends,

It is with heavy hearts that we must inform you of a change to our wedding plans. Due to the severe weather system forecasted for [Date], including [specific weather conditions], we have made the difficult decision to postpone our outdoor wedding ceremony and reception.

After consultation with our venue, vendors, and local authorities, we believe this is the safest decision for all our beloved guests. The forecast indicates conditions that would not only be uncomfortable but potentially dangerous for travel and outdoor gatherings.

We are devastated to make this change, as we know many of you have made travel arrangements and taken time from your busy schedules to celebrate with us. However, your safety and well-being are more important than any single day.

We are actively working with our vendors to reschedule for [New Date/Date Range]. We will send updated invitations within one week. All arrangements, including accommodations and meal selections, will transfer to the new date.

For out-of-town guests: Please check with your hotels and airlines regarding change policies. We are happy to provide documentation of this postponement if needed for cancellation purposes.

Thank you for your love, support, and understanding during this disappointing time. We cannot wait to celebrate our special day with each of you when conditions are safe and joyful.

With all our love,

[Bride and Groom Names]
