

Athletic event weather postponement notice

Subject: Game Day Update - Match Cancelled Due to Weather

Dear Players, Parents, and Fans,

The [Team Name] vs [Opponent] match scheduled for [Date] at [Time] has been cancelled due to unsafe field conditions caused by ongoing severe weather.

Player safety is our primary concern, and current field conditions pose injury risks that we cannot accept. The decision was made jointly by both coaching staffs, athletic directors, and league officials.

Makeup Game: The league is working to reschedule within the next two weeks, pending field availability and weather conditions.

Team Practice: Regular practice schedule resumes [Date] if weather permits. Players should check team communications for updates.

Season tickets holders and individual ticket purchasers can use tickets for the rescheduled game or request refunds through the athletic office.
