

Entertainment venue weather cancellation

Subject: [Artist Name] Concert Postponed - Weather Safety Concerns

Dear Valued Guests,

We regret to announce that tonight's [Artist Name] concert at [Venue] has been postponed due to severe weather conditions that pose safety risks to patrons, staff, and performers.

Local authorities have issued weather warnings that make it unsafe to operate our outdoor venue.

High winds and storm conditions could compromise stage equipment and audience safety.

The show will be rescheduled to [New Date]. All tickets remain valid for the new date. Those unable to attend the rescheduled performance may request full refunds at point of purchase within 30 days.

We understand the disappointment this causes, especially for fans who traveled from out of town.

The artist and venue management share your frustration and look forward to delivering an amazing show when conditions are safe.

Updates will be posted on our website and social media channels.

Thank you for your patience and understanding.

[Venue Management]
