

Formal Inquiry Letter About College Admissions

Subject: Inquiry Regarding Admission Requirements

Dear Admissions Office,

I am writing to inquire about the admission requirements for undergraduate programs at your esteemed college. I am particularly interested in the Bachelor of Arts in Psychology, and I would like to understand the eligibility criteria, application deadlines, and documents required.

Could you also provide information about scholarships or financial aid opportunities available for international students? Additionally, I would like to know if there are campus housing facilities and how to apply for them.

Thank you for your time and assistance. I look forward to your response and hope to join your academic community soon.

Sincerely,

[Your Name]
