

Family Reunion Welcome Letter from the Organizing Committee

Subject: Welcome to the 2025 Family Reunion!

Dear Family Members,

On behalf of the organizing committee, we extend a warm welcome to everyone joining us for this year's family reunion! We are thrilled to host an event that celebrates our shared history, love, and unity.

Over the next few days, we'll enjoy meals together, share stories, play games, and honor our family's traditions. Please refer to the attached schedule for activities and meal times. Our volunteers are available throughout the weekend to assist with any questions or needs.

Thank you for making this reunion possible with your participation. Let's make this gathering one to remember!

Sincerely,

The Reunion Committee
